Good morning Cathie,

I hope you are doing well! I just left you a voice mail. Per my VM, not sure if we had connected on this yet but first I wanted to let you know that I am no longer with CM LaBonge's office; effective last month, I'm the new Hollywood field deputy for CM O'Farrell in CD13.

As you may know, Trust for Public Land is constructing a pocket park at 5927 Carlton Way, in partnership with RAP: <http://www.tpl.org/our-work/parks-for-people/carlton-way-pocket-park>

TPL's grant only provides for work inside the actual park; however, BOE is requiring the sidewalk in front of the new park be replaced and brought up to code. TPL does not have funds for this but needs to have a plan in place for sidewalk repair (and communicated to BOE) by July 7th so as they do not lose construction time.

We wanted to check in with you regarding the \$1.5 million allocated for sidewalks by parks and municipal facilities. 5927 Carlton Way would not need very much for its sidewalk project; I believe it's between \$5,000-\$13,000. Could some of the \$1.5 million be used for the sidewalk there?

Please advise as soon as you can... You can always reach me on my cell (213) 254-7214. Your help is truly appreciated!

Thanks,

**Dan Halden**

Hi Cathie,

Great speaking to you earlier, and thanks again for your assistance!

TPL's contact at BOE for this project (at least the sidewalk-related issue) is Daniel Sue: (213) 482-7485  
[daniel.sue@lacity.org](mailto:daniel.sue@lacity.org)

Please keep me posted once you have reached out to Daniel. Also, as I mentioned, we should be hearing back on Monday afternoon from Nick Lopez for BSS's cost estimate on a sidewalk fix in front of 5927 Carlton Way.

Thank you so much to you and RAP; I look forward to hearing from you soon.

Best Regards,

**Dan Halden**

Hi Dan,

I just spoke with Ted Allen, BOE Deputy City Engineer. We're working out a solution. I'll keep you posted.

Cathie,

Hope you had a fabulous weekend. I just wanted to check in on this because I believe TPL needed a letter stating the sidewalk would be funded by the City (by July 7th).... However, if you are working directly with BOE, do they still need to provide this letter? Please let me know.

Again, many thanks!!
